Delta Med Receives the Premio Industria Felix Award

Viadana, January 27, 2020 – Delta Med has been included within the outstanding companies of Lombardia and awarded the “Premio Industria Felix – La Lombardia che Compete”, at its fourth edition.

There has been a total of 58 excellent companies based in Lombardia which have been noted due to their exceptional management performance, measured through quantifiable financial data. Specifically, Delta Med has received an award as the “Best company in the province of Mantova in terms of management performance and financial reliability”.

The research has been conducted by Cerved’s research division and included the analysis of 32,000 financial statements of companies based in Lombardia with sales in excess of €2 million, for the 2018 fiscal year.

Premio Industria Felix is organized by quarterly magazine Industria Felix, directed by Michele Montemurro, in partnership with Cerved, Università Luiss Guido Carli, Regione Lombardia, A.C. Industria Felix, with the patronage of Confindustria and Confindustria Lombardia, media partnerships with Ansa and Il Sole 24 Ore and additional partnerships with Banca Mediolanum, Mediolanum Private Banking, Lidl Italia, Sustainable Development, Grand Thornton and Studio Legale Iacobbi.
